Description

This premium model boasts a robust 110CC, single-cylinder, 4-stroke, air-cooled engine, enhanced with a CDI ignition system and an easy electric start. It's equipped with a chain transmission and features a convenient automatic clutch. The braking system includes drum brakes at the front and disc brakes at the rear, ensuring reliable stopping power. Riders will appreciate the premium shifting gear that offers a reverse gear, a neutral, and a forward gear for versatile maneuvering. The vehicle sits on durable iron rims and includes safety features like an emergency switch and a speed governor. The carburetor has been upgraded to perform in temperatures as low as minus 20 degrees, complemented by a standard braking system, hand shift control, and a fuel filter for optimal performance.

The vehicle measures 1230x740x840 mm, with a net weight of 90kg and a gross weight of 100kg, housed in a carton measuring 1120x640x640 mm for secure shipping. Key upgrades include larger 7" wheels for better traction, high-quality 3M stickers for durability and appearance, a hydraulic selector for the brake light, enhanced packaging for safer transport, and a waterproof wire harness to withstand the elements. These features not only enhance the vehicle's functionality but also ensure its longevity and reliability in various conditions.

We are here after your purchase. Whether you require warranty or replacement parts, we believe having the parts for the bikes we sell important to our customers. Most shops will only sell you a bike, leaving you unable to repair and maintain your purchase. [Parts](#)

50cc or 110cc Mini Blazer ATV Quad for kids has arrived! **It is available in 110cc engine displacements**, featuring a wide range of improvements including new and unique colors schemes, remote start/stop module that is plug-and-play ready, re-engineered rear axle design, EPA approved motor for cleaner combustion and less emissions, upgraded steel frame (now 1.9mm diameter vs previous year's 1.3mm) and much much more!

One feature we really love is the easy-access foot-controlled rear brake, making it easier for children to quickly and safely stop the quad. This sporty mini quad is a durable powerhouse and is a great ride for any youth, featuring available horsepower and rugged, backwoods design. Get your kids into the motor recreation game with their perfect first ride!
